1. Comply with all statutory regulations.

2. Ensure the financial viability of the college.

3. Set and maintain strategic direction and focus.

4. Demonstrate and communicate a robust understanding and awareness of all aspects of the college’s operation.

5. Agree and monitor high standards of student achievement.

6. Keep a constant focus on teaching, learning and the student experience.

7. Promote a relationship of trust and openness with the senior management team and body of staff.

8. Act as a critical friend in reviewing the performance of the college and working with senior staff.

9. Display a readiness to take informed, timely and, where necessary, difficult decisions in the best interests of the college and its students.

10. Scrutinise, on a continuing basis, the membership, expertise and contribution of the governing body, striving to make good any perceived shortcomings.
